MY KENT FAMILY is the essential website that no parent will want to miss. Whether it's guides to the best family days out, events and attractions, advice on healthy eating, or tips on schooling, it is the **one-stop** destination for family life in Kent.

Users can get involved via social media, read real-life stories from mums and dads, find money-saving tips and special offers and be the first to know about new openings and attractions.

KM Media Group have the unique advantage as an independent family-owned media company; we appreciate how important family life is. We also know Kent and can trace our history back to the turn of the century. So, we felt it is our duty to provide the local Kent community with a dedicated website.

MY KENT FAMILY offers the ideal environment to promote businesses and organisations who need to target the family market.
